Dear Resident,

The Borough of Metuchen is in the process of updating the statute regarding alarm systems. Until further notice, the Borough will not collect any fees associated with alarm system registration or renewal. The false alarm provision and fine structure is still in effect.

If you have recently installed a new alarm, wish to update contacts, or want to have contact information on file, the police department is still accepting emergency contact information.

Complete the "Resident Emergency Contact Information" form and return it to the records bureau at police headquarters. This will enable officers to contact the appropriate party should something happen at your residence in your absence. Please be sure your emergency contacts are aware that they may be called upon by the police in cases of emergency.
