

December Pool Board Meeting

December 13, 2022

In Attendance: Jon Miller, Carla Cole, Heather Utt, Rick Perrine, Jen Azzera

Reports:

Sunshine Law read and reviewed November notes, approved by Carla, seconded by Heather

Office Administration:

Rick provided states on average number of guests per day: May/June-234, July-264, Aug 194. It was also mentioned that council meetings will only be once a month so we will need to decide 2023 season rates most likely in January due to it taking 2 council meetings for approval. Rick also mentioned that Jon's term was up and asked if he wanted to be re-appointed.

Pool Management:

Nick was absent, Jen was present and stated that Hannah Davis expressed that she would like to remain as head Guard and Coach and most likely not that over John Butler's position. Jen stated that she thinks Chris Stacawitz will be a good replacement and has spoken to him and he seems interested. Jen also said for 2023 they are aware that they will be losing 1 head guard and potentially losing another one for a total of 2.

New Business:

Rick is going to follow up with DPW to see if there really is a sprinkler system at the pool that can be updated. He is also going to follow up to see if the quote was ever received for the main motor replacement and if Becky is reviewing it.

Discussed potential candidates to replace Terri. Asking for volunteers, would like someone who has kids on the swim team.

Also discussed getting a quote as early as Jan/Feb for a painter or painting company to paint the bathrooms, and sand and repaint snack bar area and picnic tables.

Recruitment Strategies:

Discussed idea of advertising the pool in the Metuchen 08840 publication. Also, doing a flyer with the Metuchen schools. Discussed opening on Juneteenth like last year. Finally, discussed having a Senior plus child type pass for 2023 season as a lot of grandparents want to come and bring their grandchild and we don't currently offer a pass besides a senior pass plus a daily guest pass.

Next meeting will be January 10th at Boro Hall at 8pm.

Motion to adjourn by Carla, seconded by Heather.
