

November Pool Board Meeting

November 15, 2022

In Attendance: Jon Miller, Carla Cole, Heather Utt, Nick Zeneto and Elvia Hajjar

Reports:

Sunshine Law read and reviewed October notes, approved by Carla, seconded by Heather

Office Administration:

Rick was absent but will have more information and data next month.

Pool Management:

Nick reached out to Becky about hiring Hannah Davis to replace John Butler to ensure no conflict since she is also Swim/Dive coach. She would like to do both positions. Waiting to hear back if this is okay. Jon is going to follow up.

New Business:

Need to get quotes on painting and freshening up the main bathrooms. Also waiting on quote for the main motor replacement for the main pool. Also, discussed getting a quote to replace the sprinkler system that is currently in place but doesn't work. Last summer it was very dry and caused the area to be muddy and dirty and also was not aesthetically pleasing. Also, would like to get a quote for new picnic tables. Current picnic tables are sticky and have been painted over many times. Want to freshen up the pavilion with string lights from home depot as well as sanding and using a light stain on the roof also would like some painting near snack bar.

Recruitment Strategies:

Discussed idea of a continuing member discount. Potentially adding a registration fee to new members. Also discussed potentially discounted guest passes for Aug weekdays (when it's a slower time of year). Will wait on attendance data next meeting to discuss more.

Next meeting will be Dec 13th at Boro Hall at 8pm.

Motion to adjourn by Carla, seconded by Heather.
