Need 2 meeting approval so expect the rates to be approved next meeting. Early registration will open May 1 and close June 16<sup>th</sup>.

March 30<sup>th</sup>, Jon, rick, Tyler and Becky met to discuss the budget and 2023 rates. Becky wanted an 8% increase due to inflation, increase to minimum wage, etc. Average rate increase is around 8%.

Fresco by Jimmy is coming back, Jon is going to ask that Jimmy or a representative attend the next meeting in May. Kim from MEF wanted to confirm the MEF open house will be June 16<sup>th</sup> from 1-3pm.

### 2023 Key Dates:

Open weekends starting memorial day until June 22<sup>nd</sup>. Open all day Friday June 16<sup>th</sup> (10am-8pm) Open House will be from 10-12. Full Pool schedule is daily from June 22<sup>nd</sup> through Labor Day.

Will be doing National Night Out at the pool in August.

Last year there were 3 family fun day and 2 movie nights. Danielle is going to price out different options with movies and DJs before firming up dates. Discussed doing a Christmas in July themed event. Once the dates are finalized they will be posted on boro website as well as social media.

Policy Discussion for discounted/waived Membership:

Determined a policy needs to be in place for the pool commission to grant a discounted pool membership as there is no official policy in place to date. This would be for 2024 season as it is too late in the year to get a policy in place for 2023. Are going to research what other towns are doing and come up with suggestions/ideas at future meetings.

Next meeting is scheduled for May 9th at Boro Hall at 8pm.

Motion to adjourn by Heather, seconded by Ana.
