

March Pool Board Meeting

March 14, 2023

In Attendance: Jon Miller, Carla Cole, Heather Utt, Nick Zaneto, Tyler Kandel, Elvia Hajjar

Reports:

Sunshine Law read and reviewed February notes, approved by Carla, seconded by Elvia

Office Administration:

Rick was absent attending a conference. Jon did email Becky re the 2023 rates and did not hear back. Takes two council meetings to approve the rates believe those will be April 10 and April 24th.

Pool Management:

Nick sent email to all new hires for the 2023 season. He hired over 100 people for the upcoming season of which 40 are lifeguards. The rest are maintenance and gate staff. There is still a slight shortage of lifeguards and Nick was thinking of posting an announcement for lifeguard positions at St Joes. Nick also requested that we consider increasing stipend positions bc those rates haven't changed in years. Also, Nick is waiting to hear from Rick re the new pool blocks for practice.

New Business:

Jon spoke to Jimmy re the RFP for the snack bar that went out early March. Jimmy is 99% certain he will put a bid in. Jon stated that if we want to tell any other local businesses about the snack bar than feel free to reach out. Jon stated he spoke with the MEF representatives, and they want to come to the pool on Juneteenth from 1-3pm. Also, Tyler brought up that we need an official policy in place re providing discounts on memberships. The policy should be subject to the Pool's financial viability to be able to give the discounts.

Other:

Elvia mentioned she wants to step down as the MMP swim team liaison. Nick suggested that why doesn't the MMP swim team have a liaison attend the pool commission meetings vs the pool commission having a liaison attend the MMP swim team meetings. Elvia said she can bring it up as a suggestion.

Next meeting is scheduled for April 11th at Boro Hall at 8pm.

Motion to adjourn by Heather, seconded by Jon.
