

## **Metuchen Shade Tree Commission – Meeting Minutes – March 1, 2022**

Attending: Dorothy Rasmussen, Amy Dees, Bettina Caluori, Tim Brosnan

No members of the public in attendance.

Call to order: 7:38 pm.

February 2022 minutes passed.

Discussed where to plant for Arbor Day. First choice: find a vacant tree spot (where there is an open place/ sidewalk square) on a commercial street. Amy Dees said she could look for one.

Decided to leave discussion for the April 5, 2022 meeting.

Discussed spring planting and the need for a list of addresses so Brian Lewis can inspect the sites.

Discussed ways to reach out to residents to see whether they are interested in trees. Thought creating a flyer would be good, circulating it via local coffee shops or by commission members.

Tim Brosnan and Bettina Caluori are signed up for NJ Urban Community Forestry Core Training in March/ April 2022.

Briefly discussed a farmer's market campaign for fall.

Adjourned meeting: 8:06 pm
